QnA Office Policies

No Show Policy

In consideration of other QnA Cosmetic Surgery and Medical Spa patients and the staff, please give at least a 24 hour notice of an appointment cancellation. Should a patient miss the scheduled appointment without giving notice, the patient is considered a "no show" and may be subject to a \$50 no show fee in order to schedule an appointment with our practice again. If a patient fails to show for a scheduled appointment three times without giving a 24 hour notice, the patient will be dismissed from the practice.

QnA Cosmetic Surgery has a separate cancellation policy in the event a surgery is scheduled with one of our board certified dermatologists.

Late Arrivals

In consideration of other QnA Cosmetic Surgery and Medical Spa scheduled patients and the staff, please notify our practice if you will be more than 10 minutes late for your scheduled appointment. In the event of a late arrival time past 15 minutes of the patient's originally scheduled appointment time, we will make every effort to see you in a timely manner though you may need to be rescheduled. However, please understand that patients with scheduled appointments will be seen first. If you cannot wait and would prefer to be rescheduled, our front desk coordinator would be happy to assist you.

QnA Medical Spa Return/Refund Policy

All sales are final on opened makeup and skin care products. If an allergic or adverse reaction happens, please contact us immediately.

Returns of unopened makeup and skin care products will be fully refunded.

Unused procedures sold in a package cannot be transferred to another procedure or product or transferred to another patient's profile. A package of procedures will not expire, but refunds on the remaining unused value cannot be given after six months from the date of purchase of the package. If a package is refunded within a six month period, any used procedures will retain their full retail individual procedure value.

Gift cards cannot be redeemed for cash.

*We value our patient relationships and want to protect patients' rights. We will terminate patients from our practice after consideration for reasons including not showing for too many appointments, not complying with medical care, being hostile to **ANY** staff member, or not paying your bills.*
